## 37<sup>th</sup> Annual Minnesota Law Enforcement Explorer Conference April 19 – April 22, 2012

The Minnesota Law Enforcement Explorer Association would like to invite you to attend the 37<sup>th</sup> annual law enforcement explorer conference. The last few years has seen this conference continue to grow and expand. This year will be no different.

You, as advisors, have made a commitment to help teach and train these young men and women as they try to decide on a career path. Your actions now will affect these students for the rest of their lives whether they join the fraternal ranks of law enforcement or not. At a time when departments are cutting funding and raising money is hard, your dedication and commitment is even clearer as we are seeing law enforcement exploring continue to thrive across the state. Your dedication is the inspiration for this years theme, “We can not always build the future for our youth, but we can build our youth for the future.”

The **registration fee will be \$278.00** per participant. The career fair will be on Friday. Saturday we are planning a public safety day. If you have additional suggestions for speakers, please contact the conference committee as soon as possible.
